Meeting Minutes

June 5, 2017

Present: Emily Keefer
Phil Fischer

Next meeting: June 22, 2017, 6:30pm, WTC Hobart

1. Announcements

If the project doesn't gain momentum there is a possibility of it being scrapped and the money being invested elsewhere.

2. Discussion

Estimated Cost of Project is \$155,000

Where the funds stand presently estimated at \$44,000

Goal of completion in a year and the need for \$10,000 monthly contributions.

How can we raise the money for this project?

Interested parties per the Facebook message. Please provide name, phone and email if you would like to be notified of upcoming meetings, fundraisers, etc.

Lack of community support slowing the process of trying to involve businesses (Give them a reason to donate/invest)

3. Roundtable

Facebook contribution chain similar to that of the ALS ice bucket challenge: started

Article for informational purposes to Democrat Chief: wrote, will be forwarded soon

Recruit a motivated team of volunteers that want to see this project through to completion: in progress

Possibility of a radio advertisement/info blurb as another source of public notification

Different idea for fundraising

- Give Me \$5 campaign: \$5 a month for 12 months and contributors recognition

- Helping Hands at sporting events: similar to Give Me \$5 team walks the stands and asks for contributions for the Splash Pad Project

Lone Wolf Independence Day Celebration: sell water, Helping Hands, Bake Sale, etc
